

Nomination Form

Workshop for Earthquake Resistant Design Practices for Undergraduate Students of Architecture

Nominee

1. Name

Male/Female

2. Full postal address with PIN

Email address

3. Rank in Architecture Class :: _____ out of _____ students
(Enclose copies of grade/mark sheets)

4. Grade Point Average/Marks:

First Semester _____ Second Semester _____
Third Semester _____ Fourth Semester _____
Fifth Semester _____ (Enclose copies of grade/mark sheets)

5. Write your *Career Goals* in a maximum of 100 words (type-written) on a separate sheet of paper under the following heads.

Why did you choose to study Architecture?

Where do you see yourself 5 years from now? 10 years from now?

What are your expectations from the Workshop?

What will be your contribution to the Workshop?

Passport size photo

Signature of Nominee

College

1. Name

2. Full postal address of College with PIN

3. Email address

Nomination

I nominate the above mentioned student who is a bonafide student of **third year** of Architecture of our Institute, to attend the Earthquake Resistant Design Practices Workshop 2010 at IIT Kanpur. It is also certified that the examination schedule in our college is not clashing with the duration of the Workshop.

Signature of Head Architecture or

Head of Institute

Name

Seal of College

Tell us about yourself

Dear student:

Please complete the following form to help us know about your curricular and extra curricular activities and exposure to earthquake engineering.

1. Have you participated in any of the recently held NICEE events, namely, NASA 2007 @ Bhopal, SAARC NASA 2009 Pune and/or SAARCH Convention 2008?
Yes No. If yes, in what capacity?
2. Have you taken any coursework in earthquake resistant architecture in college so far?
Yes No If yes, in which semester?
3. Do you have any other exposure to earthquake engineering/earthquake resistant architecture? If yes, please attach a 100 word write up explaining your involvement in activities related to earthquake engineering/earthquake resistant architecture.
4. Creative/Design activities:
 - a. Name and number of activities participated in:
 - b. Represented school/college/district/state:
 - c. Number of Certificates/Awards earned:
 - d. Additional remarks, if any:
5. Literary activities:
 - a. Name and number of activities participated in:
 - b. Represented school/college/district/state:
 - c. Number of Certificates/Awards earned:
 - d. Additional remarks, if any:
6. Scientific/Technical activities:
 - a. Name and number of activities participated in:
 - b. Represented school/college/district/state:
 - c. Number of Certificates/Awards earned:
 - d. Additional remarks, if any:
7. Cultural activities:
 - a. Name and number of activities participated in:
 - b. Represented school/college/district/state:
 - c. Number of Certificates/Awards earned:
 - d. Additional remarks, if any:
8. Sporting activities:
 - a. Name and number of activities participated in:
 - b. Represented school/college/district/state:
 - c. Number of Certificates/Awards earned:
 - d. Additional remarks, if any:
9. NSS/NCC Participation:
 - a. Represented school/college/district/state:
 - b. Number of Certificates/Awards earned:
 - c. Additional remarks, if any:
