

## Workshop at IIT-K

A 10 day workshop on Earthquake Engineering Literature survey will be conducted by the National Information Centre of Earthquake Engineering (NICEE), at IIT-Kanpur from August 27 and will continue till September 5. In this workshop the participants will be encouraged to make use of available literature at NICEE library and Central Library for doing quality research work. 74 postgraduate students from 28 different engineering colleges will participate in this workshop. During the workshop the participants will also have an interaction sessions with Prof Durgesh C Rai, Prof Amit Prashant, Dr KK Bajpai and Dr Rajeev Gupta. A visit to the National Wind Tunnel Facility at IIT-Kanpur along with the visit to the various laboratories of Civil Engineering will also be organised.
