Kanpur: National Information Centre of Earthquake Engineering (NICEE) at IIT Kanpur is conducting an inter-school quiz competition on Earthquake Tips, the first preliminary round of which was conducted on Wednesday and the final round of the quiz will be conducted on 26 January 2013 at Outreach Auditorium, Indian Institute of Technology Kanpur.

Suresh Ailawadi, consultant of NICEE and an IIT alumnus, said, "to spread the message of seismic safety, NICEE always felt an urge to include schoolchildren in order to further this cause towards ensuring an earthquake-resilient environment in the country. There was an overwhelming response from the schools for registering for the quiz. More than 100 schools from about 50 cities have expressed their willingness to participate in the quiz this year."

The schools were given 50 copies of "Earthquake Tips" by Dr CVR Murty to be used for selecting a team of four participants from Class VIII to Class XI per school.

In the preliminary round of the quiz held on Wednesday, five schools of Kanpur: Karam Devi Memorial Academy, DPS Kalyanpur, Puranchandra Vidyaniketan, BNSD Shiksha Niketan and Sheiling House School; two schools from Lucknow, viz Navayuga Radiance Senior Secondary School and CMS Station Road; one School from Agra viz. DPS Agra and one school from Allahabad viz. Jagat Taran Golden Jubilees School participated.

The quiz had four rounds including Round Robin, Picture Round, Rapid Fire Round and Lucky number Round. The questions were based on the publication "Earthquake Tips" by Dr CVR Murty. The winning team, Sheiling House School, scored 99 points. DPS Agra bagged the second position scoring 97 points and Puranchandra Vidyaniketan

IIT-K conducts inter-school earthquake awareness quiz

The National Information Centre of Earthquake
Engineering (NICEE) at the Indian Institute of
Technology, Kanpur (IIT-K) conducted the first preliminary
round of inter-school quiz competition on earthquake
tips on Wednesday. The second and the final round
would be conducted on January 26, 2018. Informing about
the event, consultant for NICEE Suresh Allawadi said
this was an annual event of NICEE and was being con-
ducted for the third consecutive year. The objective of the
quiz competition was to spread awareness about seismic
safety among school children and to inform them about
the importance of earthquake resistant buildings in the
country, he said. The winning team from Shelling House
School scored 99 points, DPS Agar scored 97 and
Puranchand Vidyamnitkan came third with points 87.
