IITGn quiz on earthquake awareness

DNA Correspondent @ dnaahmedabad

IITGn organised an inter-school quiz competition on safety awareness around earthquake at Palai, Gandhinagar on Friday. The aim of the quiz was to include schoolchildren to build an earthquake resistant environment in the near future. Students in class 7 and 12 from six schools across Gujarat participated in the quiz.

The quiz, which was the annual event of NICEE, had been conducted for the fifth time in the row. The quiz had three rounds: First, a general question-answer round, second, picture round and third, lucky number round. The winners of the quiz are Sandraben Shroff Gyan Dham School (Valsad) which won first prize, and New Era Senior Secondary School (Vadodara) and The Aditya Birla Public School received second prize. The final round of the quiz will take place at IIT Kanpur on January 26, 2016.
